

Volunteer Fundraiser for Equality in Tourism International

Finding funding for an organisation dedicated to women's empowerment, development, human rights and tourism is hard to come by. If you are up to the challenge, then we'd love to have you come and support our search for funds for our innovative and exciting projects.

Equality in Tourism is a very small charity focused on gender, tourism and development. We are looking for someone with experience, particularly with institutional and/or trust funding, and who is able to give us a few hours a week. Experience of corporate or event fundraising would also be very much appreciated. We would like you to take a lead on writing one or more funding applications for us, both for our innovative projects and our core work.

We are seeking a reliable, proactive and dedicated person, who is interested in gender and development and who will be able to work with us to enable us to achieve our goals. We offer you flexibility to work around your own time constraints.

So if you think you can help us raise some much needed funds that can go towards meeting our targets, we would love to hear from you.
